

Directions: Take the Mass Turnpike (I-90) to exit 2 (Lee), go straight off the ramp, which takes you to Route 20 West. Follow Rt. 20 through downtown Lee, and this road will eventually merge with Route 7 North. Continue to follow Rt. 7&20, you will enter Pittsfield, and in downtown Pittsfield, you will come to a traffic rotary (called "Park Square"). Arriving at Park Square should take you about 25-30 minutes from the Pike.

Bear right on the first outlet of the circle (basically 90-degrees on the circle), and you will find yourself on East Street. This road takes a few curves and you will go through many traffic lights. Some of the landmarks you will see include a Wendy's, a KFC, several car dealerships, and finally, old buildings of the GE property. When you see the giant "Polymer Processing Center" building up on your left, you will be at a traffic light. Continue straight through this traffic light, and up the overpass. You are now on Merrill Road.

Follow Merrill Road straight until you come to a multi-lane intersection (this will be just after you pass a traffic light at the Stop 'n Shop supermarket). Get in your right lane. Continue straight through this light, go straight through a second light, (you will see a Taco Bell across the river at this point) and take a RIGHT at the light that takes you over a bridge. This is Hubbard Ave.

Continue on Hubbard Ave., past the entrance for Berkshire Crossing (big shopping center with a Price Chopper and Wal-Mart), and continue through what is a semi-residential, semi-industrial area. You will come to a 4-way intersection with a traffic light ("Modern Mold and Tool" building will be on the right, on the corner). Take a RIGHT, you are now on "Outer" East Street (again).

Follow East St. for about a block, and you will see a large orange/white boulder on the right side of the street with a sign on it, saying "Federico Office Park." This is Federico Drive. Take this RIGHT. Our building is the second building on the right, in the same building as TimeWarner Cable. Park anywhere in the parking lot, come in the door, and we are the middle business in the lobby.
